APPENDIX A

United States Code, Title 11, § 365 provides:

§ 365. Executory contracts and unexpired leases

(a) Except as provided in sections 765 and 766 of this title and in subsections (b), (c), and (d) of this section, the trustee, subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor.

(b)(1) If there has been a default in an executory contract or unexpired lease of the debtor, the trustee may not assume such contract or lease unless, at the time of assumption of such contract or lease, the trustee--

(A) cures, or provides adequate assurance that the trustee will promptly cure, such default;

(B) compensates, or provides adequate assurance that the trustee will promptly compensate, a party other than the debtor to such contract or lease, for any actual pecuniary loss to such party resulting from such default; and

(C) provides adequate assurance of future performance under such contract or lease.

(2) Paragraph (1) of this subsection does not apply to a default that is a breach of a provision relating to--

(A) the insolvency or financial condition of the debtor at any time before the closing of the case;

(B) the commencement of a case under this title;

(C) the appointment of or taking possession by a trustee in a case under this title or a custodian before such commencement; or

(D) the satisfaction of any penalty rate or provision relating to a default arising from any failure by the debtor to perform nonmonetary obligations under the executory contract or unexpired lease.

(3) For the purposes of paragraph (1) of this subsection and paragraph (2)(B) of subsection (f), adequate assurance of future performance of a lease of real property in a shopping center includes adequate assurance--

(A) of the source of rent and other consideration due under such lease, and in the case of an assignment, that the financial condition and operating performance of the proposed assignee and its guarantors, if any, shall be similar to the financial condition and operating performance of the debtor and its guarantors, if any, as of the time the debtor became the lessee under the lease;

(B) that any percentage rent due under such lease will not decline substantially;

(C) that assumption or assignment of such lease is subject to all the provisions thereof, including (but not limited to) provisions such as a radius, location, use, or

exclusivity provision, and will not breach any such provision contained in any other lease, financing agreement, or master agreement relating to such shopping center; and

(D) that assumption or assignment of such lease will not disrupt any tenant mix or balance in such shopping center.

(4) Notwithstanding any other provision of this section, if there has been a default in an unexpired lease of the debtor, other than a default of a kind specified in paragraph (2) of this subsection, the trustee may not require a lessor to provide services or supplies incidental to such lease before assumption of such lease unless the lessor is compensated under the terms of such lease for any services and supplies provided under such lease before assumption of such lease.

(c) The trustee may not assume or assign any executory contract or unexpired lease of the debtor, whether or not such contract or lease prohibits or restricts assignment of rights or delegation of duties, if--

(1)(A) applicable law excuses a party, other than the debtor, to such contract or lease from accepting performance from or rendering performance to an entity other than the debtor or the debtor in possession, whether or not such contract or lease prohibits or restricts assignment of rights or delegation of duties; and

(B) such party does not consent to such assumption or assignment; or

(2) such contract is a contract to make a loan, or extend other debt financing or financial accommodations, to or for the benefit of the debtor, or to issue a security of the debtor;

(3) such lease is of nonresidential real property and has been terminated under applicable nonbankruptcy law prior to the order for relief; or

(4) such lease is of nonresidential real property under which the debtor is the lessee of an aircraft terminal or aircraft gate at an airport at which the debtor is the lessee under one or more additional nonresidential leases of an aircraft terminal or aircraft gate and the trustee, in connection with such assumption or assignment, does not assume all such leases or does not assume and assign all of such leases to the same person, except that the trustee may assume or assign less than all of such leases with the airport operator's written consent.

(d)(1) In a case under chapter 7 of this title, if the trustee does not assume or reject an executory contract or unexpired lease of residential real property or of personal property of the debtor within 60 days after the order for relief, or within such additional time as the court, for cause, within such 60- day period, fixes, then such contract or lease is deemed rejected.

(2) In a case under chapter 9, 11, 12, or 13 of this title, the trustee may assume or reject an executory contract or unexpired lease of residential real property or of

personal property of the debtor at any time before the confirmation of a plan but the court, on the request of any party to such contract or lease, may order the trustee to determine within a specified period of time whether to assume or reject such contract or lease.

(3) The trustee shall timely perform all the obligations of the debtor, except those specified in section 365(b)(2), arising from and after the order for relief under any unexpired lease of nonresidential real property, until such lease is assumed or rejected, notwithstanding section 503(b)(1) of this title. The court may extend, for cause, the time for performance of any such obligation that arises within 60 days after the date of the order for relief, but the time for performance shall not be extended beyond such 60-day period. This subsection shall not be deemed to affect the trustee's obligations under the provisions of subsection (b) or (f) of this section. Acceptance of any such performance does not constitute waiver or relinquishment of the lessor's rights under such lease or under this title.

(4) Notwithstanding paragraphs (1) and (2), in a case under any chapter of this title, if the trustee does not assume or reject an unexpired lease of nonresidential real property under which the debtor is the lessee within 60 days after the date of the order for relief, or within such additional time as the court, for cause, within such 60-day period, fixes, then such lease is deemed rejected, and the trustee shall immediately surrender such nonresidential real property to the lessor.

(5) Notwithstanding paragraphs (1) and (4) of this subsection, in a case under any chapter of this title, if the trustee does not assume or reject an unexpired lease of nonresidential real property under which the debtor is an affected air carrier that is the lessee of an aircraft terminal or aircraft gate before the occurrence of a termination event, then (unless the court orders the trustee to assume such unexpired leases within 5 days after the termination event), at the option of the airport operator, such lease is deemed rejected 5 days after the occurrence of a termination event and the trustee shall immediately surrender possession of the premises to the airport operator; except that the lease shall not be deemed to be rejected unless the airport operator first waives the right to damages related to the rejection. In the event that the lease is deemed to be rejected under this paragraph, the airport operator shall provide the affected air carrier adequate opportunity after the surrender of the premises to remove the fixtures and equipment installed by the affected air carrier.

(6) For the purpose of paragraph (5) of this subsection and paragraph (f)(1) of this section, the occurrence of a termination event means, with respect to a debtor which is an affected air carrier that is the lessee of an aircraft terminal or aircraft gate--

(A) the entry under section 301 or 302 of this title of an order for relief under chapter 7 of this title;

(B) the conversion of a case under any chapter of this title to a case under chapter 7 of this title; or

(C) the granting of relief from the stay provided under section 362(a) of this title with respect to aircraft, aircraft engines, propellers, appliances, or spare parts, as defined in section 40102 of title 49, except for property of the debtor found by the court not to be necessary to an effective reorganization.

(7) Any order entered by the court pursuant to paragraph (4) extending the period within which the trustee of an affected air carrier must assume or reject an unexpired lease of nonresidential real property shall be without prejudice to--

(A) the right of the trustee to seek further extensions within such additional time period granted by the court pursuant to paragraph (4); and

(B) the right of any lessor or any other party in interest to request, at any time, a shortening or termination of the period within which the trustee must assume or reject an unexpired lease of nonresidential real property.

(8) The burden of proof for establishing cause for an extension by an affected air carrier under paragraph (4) or the maintenance of a previously granted extension under paragraph (7)(A) and (B) shall at all times remain with the trustee.

(9) For purposes of determining cause under paragraph (7) with respect to an unexpired lease of nonresidential real property between the debtor that is an affected air carrier and an airport operator under which such debtor is the lessee of an airport terminal or an airport gate, the court shall consider, among

other relevant factors, whether substantial harm will result to the airport operator or airline passengers as a result of the extension or the maintenance of a previously granted extension. In making the determination of substantial harm, the court shall consider, among other relevant factors, the level of actual use of the terminals or gates which are the subject of the lease, the public interest in actual use of such terminals or gates, the existence of competing demands for the use of such terminals or gates, the effect of the court's extension or termination of the period of time to assume or reject the lease on such debtor's ability to successfully reorganize under chapter 11 of this title, and whether the trustee of the affected air carrier is capable of continuing to comply with its obligations under section 365(d)(3) of this title.

(10) The trustee shall timely perform all of the obligations of the debtor, except those specified in section 365(b)(2), first arising from or after 60 days after the order for relief in a case under chapter 11 of this title under an unexpired lease of personal property (other than personal property leased to an individual primarily for personal, family, or household purposes), until such lease is assumed or rejected notwithstanding section 503(b)(1) of this title, unless the court, after notice and a hearing and based on the equities of the case, orders otherwise with respect to the obligations or timely performance thereof. This subsection shall not be deemed to affect the trustee's obligations under the provisions of subsection (b) or (f). Acceptance of any such performance does not constitute waiver or relinquishment of the lessor's rights under such lease or under this title.

(e)(1) Notwithstanding a provision in an executory contract or unexpired lease, or in applicable law, an executory contract or unexpired lease of the debtor may not be terminated or modified, and any right or obligation under such contract or lease may not be terminated or modified, at any time after the commencement of the case solely because of a provision in such contract or lease that is conditioned on--

(A) the insolvency or financial condition of the debtor at any time before the closing of the case;

(B) the commencement of a case under this title; or

(C) the appointment of or taking possession by a trustee in a case under this title or a custodian before such commencement.

(2) Paragraph (1) of this subsection does not apply to an executory contract or unexpired lease of the debtor, whether or not such contract or lease prohibits or restricts assignment of rights or delegation of duties, if--

(A)(i) applicable law excuses a party, other than the debtor, to such contract or lease from accepting performance from or rendering performance to the trustee or to an assignee of such contract or lease, whether or not such contract or lease prohibits or restricts assignment of rights or delegation of duties; and

(ii) such party does not consent to such assumption or assignment; or

(B) such contract is a contract to make a loan, or extend other debt financing or financial accommodations, to or for the benefit of the debtor, or to issue a security of the debtor.

(f)(1) Except as provided in subsection (c) of this section, notwithstanding a provision in an executory contract or unexpired lease of the debtor, or in applicable law, that prohibits, restricts, or conditions the assignment of such contract or lease, the trustee may assign such contract or lease under paragraph (2) of this subsection; except that the trustee may not assign an unexpired lease of nonresidential real property under which the debtor is an affected air carrier that is the lessee of an aircraft terminal or aircraft gate if there has occurred a termination event.

(2) The trustee may assign an executory contract or unexpired lease of the debtor only if--

(A) the trustee assumes such contract or lease in accordance with the provisions of this section; and

(B) adequate assurance of future performance by the assignee of such contract or lease is provided, whether or not there has been a default in such contract or lease.

(3) Notwithstanding a provision in an executory contract or unexpired lease of the debtor, or in applicable law that terminates or modifies, or permits a party other than the debtor to terminate or modify, such contract or lease or a right or obligation under such contract or lease on account of an assignment of such contract or lease, such contract, lease, right, or

obligation may not be terminated or modified under such provision because of the assumption or assignment of such contract or lease by the trustee.

(g) Except as provided in subsections (h)(2) and (i)(2) of this section, the rejection of an executory contract or unexpired lease of the debtor constitutes a breach of such contract or lease--

(1) if such contract or lease has not been assumed under this section or under a plan confirmed under chapter 9, 11, 12, or 13 of this title, immediately before the date of the filing of the petition; or

(2) if such contract or lease has been assumed under this section or under a plan confirmed under chapter 9, 11, 12, or 13 of this title--

(A) if before such rejection the case has not been converted under section 1112, 1208, or 1307 of this title, at the time of such rejection; or

(B) if before such rejection the case has been converted under section 1112, 1208, or 1307 of this title--

(i) immediately before the date of such conversion, if such contract or lease was assumed before such conversion; or

(ii) at the time of such rejection, if such contract or lease was assumed after such conversion.

(h)(1)(A) If the trustee rejects an unexpired lease of real property under which the debtor is the lessor and--

(i) if the rejection by the trustee amounts to such a breach as would entitle the lessee to treat such lease as terminated by virtue of its terms, applicable nonbankruptcy law, or any agreement made by the lessee, then the lessee under such lease may treat such lease as terminated by the rejection; or

(ii) if the term of such lease has commenced, the lessee may retain its rights under such lease (including rights such as those relating to the amount and timing of payment of rent and other amounts payable by the lessee and any right of use, possession, quiet enjoyment, subletting, assignment, or hypothecation) that are in or appurtenant to the real property for the balance of the term of such lease and for any renewal or extension of such rights to the extent that such rights are enforceable under applicable nonbankruptcy law.

(B) If the lessee retains its rights under subparagraph (A)(ii), the lessee may offset against the rent reserved under such lease for the balance of the term after the date of the rejection of such lease and for the term of any renewal or extension of such lease, the value of any damage caused by the nonperformance after the date of such rejection, of any obligation of the debtor under such lease, but the lessee shall not have any other right against the estate or the debtor on account of any damage occurring after such date caused by such nonperformance.

(C) The rejection of a lease of real property in a shopping center with respect to which the lessee elects to retain its rights under subparagraph (A)(ii) does not affect the enforceability under applicable nonbankruptcy law of any provision in the lease pertaining to radius, location, use, exclusivity, or tenant mix or balance.

(D) In this paragraph, "lessee" includes any successor, assign, or mortgagee permitted under the terms of such lease.

(2)(A) If the trustee rejects a timeshare interest under a timeshare plan under which the debtor is the timeshare interest seller and--

(i) if the rejection amounts to such a breach as would entitle the timeshare interest purchaser to treat the timeshare plan as terminated under its terms, applicable nonbankruptcy law, or any agreement made by timeshare interest purchaser, the timeshare interest purchaser under the timeshare plan may treat the timeshare plan as terminated by such rejection; or

(ii) if the term of such timeshare interest has commenced, then the timeshare interest purchaser may retain its rights in such timeshare interest for the balance of such term and for any term of renewal or extension of such timeshare interest to the extent that such rights are enforceable under applicable nonbankruptcy law.

(B) If the timeshare interest purchaser retains its rights under subparagraph (A), such timeshare interest purchaser may offset against the moneys due

for such timeshare interest for the balance of the term after the date of the rejection of such timeshare interest, and the term of any renewal or extension of such timeshare interest, the value of any damage caused by the nonperformance after the date of such rejection, of any obligation of the debtor under such timeshare plan, but the timeshare interest purchaser shall not have any right against the estate or the debtor on account of any damage occurring after such date caused by such nonperformance.

(i)(1) If the trustee rejects an executory contract of the debtor for the sale of real property or for the sale of a timeshare interest under a timeshare plan, under which the purchaser is in possession, such purchaser may treat such contract as terminated, or, in the alternative, may remain in possession of such real property or timeshare interest.

(2) If such purchaser remains in possession--

(A) such purchaser shall continue to make all payments due under such contract, but may, offset against such payments any damages occurring after the date of the rejection of such contract caused by the non-performance of any obligation of the debtor after such date, but such purchaser does not have any rights against the estate on account of any damages arising after such date from such rejection, other than such offset; and

(B) the trustee shall deliver title to such purchaser in accordance with the provisions of such contract, but is relieved of all other obligations to perform under such contract.

(j) A purchaser that treats an executory contract as terminated under subsection (i) of this section, or a party whose executory contract to purchase real property from the debtor is rejected and under which such party is not in possession, has a lien on the interest of the debtor in such property for the recovery of any portion of the purchase price that such purchaser or party has paid.

(k) Assignment by the trustee to an entity of a contract or lease assumed under this section relieves the trustee and the estate from any liability for any breach of such contract or lease occurring after such assignment.

(l) If an unexpired lease under which the debtor is the lessee is assigned pursuant to this section, the lessor of the property may require a deposit or other security for the performance of the debtor's obligations under the lease substantially the same as would have been required by the landlord upon the initial leasing to a similar tenant.

(m) For purposes of this section 365 and sections 541(b)(2) and 362(b)(10), leases of real property shall include any rental agreement to use real property.

(n)(1) If the trustee rejects an executory contract under which the debtor is a licensor of a right to intellectual property, the licensee under such contract may elect--

(A) to treat such contract as terminated by such rejection if such rejection by the trustee amounts to such a breach as would entitle the licensee to treat

such contract as terminated by virtue of its own terms, applicable nonbankruptcy law, or an agreement made by the licensee with another entity; or

(B) to retain its rights (including a right to enforce any exclusivity provision of such contract, but excluding any other right under applicable nonbankruptcy law to specific performance of such contract) under such contract and under any agreement supplementary to such contract, to such intellectual property (including any embodiment of such intellectual property to the extent protected by applicable nonbankruptcy law), as such rights existed immediately before the case commenced, for--

(i) the duration of such contract; and

(ii) any period for which such contract may be extended by the licensee as of right under applicable nonbankruptcy law.

(2) If the licensee elects to retain its rights, as described in paragraph (1)(B) of this subsection, under such contract--

(A) the trustee shall allow the licensee to exercise such rights;

(B) the licensee shall make all royalty payments due under such contract for the duration of such contract and for any period described in paragraph (1)(B) of this subsection for which the licensee extends such contract; and

(C) the licensee shall be deemed to waive--

(i) any right of setoff it may have with respect to such contract under this title or applicable nonbankruptcy law; and

(ii) any claim allowable under section 503(b) of this title arising from the performance of such contract.

(3) If the licensee elects to retain its rights, as described in paragraph (1)(B) of this subsection, then on the written request of the licensee the trustee shall--

(A) to the extent provided in such contract, or any agreement supplementary to such contract, provide to the licensee any intellectual property (including such embodiment) held by the trustee; and

(B) not interfere with the rights of the licensee as provided in such contract, or any agreement supplementary to such contract, to such intellectual property (including such embodiment) including any right to obtain such intellectual property (or such embodiment) from another entity.

(4) Unless and until the trustee rejects such contract, on the written request of the licensee the trustee shall--

(A) to the extent provided in such contract or any agreement supplementary to such contract--

(i) perform such contract; or

(ii) provide to the licensee such intellectual property (including any embodiment of such intellectual

property to the extent protected by applicable nonbankruptcy law) held by the trustee; and

(B) not interfere with the rights of the licensee as provided in such contract, or any agreement supplementary to such contract, to such intellectual property (including such embodiment), including any right to obtain such intellectual property (or such embodiment) from another entity.

(o) In a case under chapter 11 of this title, the trustee shall be deemed to have assumed (consistent with the debtor's other obligations under section 507), and shall immediately cure any deficit under, any commitment by the debtor to a Federal depository institutions regulatory agency (or predecessor to such agency) to maintain the capital of an insured depository institution, and any claim for a subsequent breach of the obligations thereunder shall be entitled to priority under section 507. This subsection shall not extend any commitment that would otherwise be terminated by any act of such an agency.

APPENDIX B

United States Code, Title 11, § 502 provides:

§ 502. Allowance of claims or interests

(a) A claim or interest, proof of which is filed under section 501 of this title, is deemed allowed, unless a party in interest, including a creditor of a general partner in a partnership that is a debtor in a case under chapter 7 of this title, objects.

(b) Except as provided in subsections (e)(2), (f), (g), (h) and (i) of this section, if such objection to a claim is made, the court, after notice and a hearing, shall determine the amount of such claim in lawful currency of the United States as of the date of the filing of the petition, and shall allow such claim in such amount, except to the extent that--

(1) such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law for a reason other than because such claim is contingent or unmatured;

(2) such claim is for unmatured interest;

(3) if such claim is for a tax assessed against property of the estate, such claim exceeds the value of the interest of the estate in such property;

(4) if such claim is for services of an insider or attorney of the debtor, such claim exceeds the reasonable value of such services;

(5) such claim is for a debt that is unmatured on the date of the filing of the petition and that is excepted from discharge under section 523(a)(5) of this title;

(6) if such claim is the claim of a lessor for damages resulting from the termination of a lease of real property, such claim exceeds--

(A) the rent reserved by such lease, without acceleration, for the greater of one year, or 15 percent, not to exceed three years, of the remaining term of such lease, following the earlier of--

(i) the date of the filing of the petition; and

(ii) the date on which such lessor repossessed, or the lessee surrendered, the leased property; plus

(B) any unpaid rent due under such lease, without acceleration, on the earlier of such dates;

(7) if such claim is the claim of an employee for damages resulting from the termination of an employment contract, such claim exceeds--

(A) the compensation provided by such contract, without acceleration, for one year following the earlier of--

(i) the date of the filing of the petition; or

(ii) the date on which the employer directed the employee to terminate, or such employee terminated, performance under such contract; plus

(B) any unpaid compensation due under such contract, without acceleration, on the earlier of such dates;

(8) such claim results from a reduction, due to late payment, in the amount of an otherwise applicable credit available to the debtor in connection with an employment tax on wages, salaries, or commissions earned from the debtor; or

(9) proof of such claim is not timely filed, except to the extent tardily filed as permitted under paragraph (1), (2), or (3) of section 726(a) of this title or under the Federal Rules of Bankruptcy Procedure, except that a claim of a governmental unit shall be timely filed if it is filed before 180 days after the date of the order for relief or such later time as the Federal Rules of Bankruptcy Procedure may provide.

(c) There shall be estimated for purpose of allowance under this section--

(1) any contingent or unliquidated claim, the fixing or liquidation of which, as the case may be, would unduly delay the administration of the case; or

(2) any right to payment arising from a right to an equitable remedy for breach of performance.

(d) Notwithstanding subsections (a) and (b) of this section, the court shall disallow any claim of any entity

from which property is recoverable under section 542, 543, 550, or 553 of this title or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of this title, unless such entity or transferee has paid the amount, or turned over any such property, for which such entity or transferee is liable under section 522(i), 542, 543, 550, or 553 of this title.

(e)(1) Notwithstanding subsections (a), (b), and (c) of this section and paragraph (2) of this subsection, the court shall disallow any claim for reimbursement or contribution of an entity that is liable with the debtor on or has secured the claim of a creditor, to the extent that--

(A) such creditor's claim against the estate is disallowed;

(B) such claim for reimbursement or contribution is contingent as of the time of allowance or disallowance of such claim for reimbursement or contribution; or

(C) such entity asserts a right of subrogation to the rights of such creditor under section 509 of this title.

(2) A claim for reimbursement or contribution of such an entity that becomes fixed after the commencement of the case shall be determined, and shall be allowed under subsection (a), (b), or (c) of this section, or disallowed under subsection (d) of this section, the same as if such claim had become fixed before the date of the filing of the petition.

(f) In an involuntary case, a claim arising in the ordinary course of the debtor's business or financial affairs after the commencement of the case but before the earlier of the appointment of a trustee and the order for relief shall be determined as of the date such claim arises, and shall be allowed under subsection (a), (b), or (c) of this section or disallowed under subsection (d) or (e) of this section, the same as if such claim had arisen before the date of the filing of the petition.

(g) A claim arising from the rejection, under section 365 of this title or under a plan under chapter 9, 11, 12, or 13 of this title, of an executory contract or unexpired lease of the debtor that has not been assumed shall be determined, and shall be allowed under subsection (a), (b), or (c) of this section or disallowed under subsection (d) or (e) of this section, the same as if such claim had arisen before the date of the filing of the petition.

(h) A claim arising from the recovery of property under section 522, 550, or 553 of this title shall be determined, and shall be allowed under subsection (a), (b), or (c) of this section, or disallowed under subsection (d) or (e) of this section, the same as if such claim had arisen before the date of the filing of the petition.

(i) A claim that does not arise until after the commencement of the case for a tax entitled to priority under section 507(a)(8) of this title shall be determined, and shall be allowed under subsection (a), (b), or (c) of this section, or disallowed under subsection (d) or (e) of this section, the same as if such

claim had arisen before the date of the filing of the petition.

(j) A claim that has been allowed or disallowed may be reconsidered for cause. A reconsidered claim may be allowed or disallowed according to the equities of the case. Reconsideration of a claim under this subsection does not affect the validity of any payment or transfer from the estate made to a holder of an allowed claim on account of such allowed claim that is not reconsidered, but if a reconsidered claim is allowed and is of the same class as such holder's claim, such holder may not receive any additional payment or transfer from the estate on account of such holder's allowed claim until the holder of such reconsidered and allowed claim receives payment on account of such claim proportionate in value to that already received by such other holder. This subsection does not alter or modify the trustee's right to recover from a creditor any excess payment or transfer made to such creditor.

(b) (1) Except as provided in paragraph (2), for purposes of subdivision (a), the value of the use of the property shall be the greater of the reasonable rental value of that property or the benefits obtained by the person wrongfully occupying the property by reason of that wrongful occupation.

(c) The Legislature further finds that surface mining takes place in diverse areas where the geologic, topographic, climatic, biological, and social conditions are significantly different and that reclamation operations and the specifications therefor may vary accordingly.

§ 2712. Intent

It is the intent of the Legislature to create and maintain an effective and comprehensive surface mining and reclamation policy with regulation of surface mining operations so as to assure that:

(a) Adverse environmental effects are prevented or minimized and that mined lands are reclaimed to a usable condition which is readily adaptable for alternative land uses.

(b) The production and conservation of minerals are encouraged, while giving consideration to values relating to recreation, watershed, wildlife, range and forage, and aesthetic enjoyment.

(c) Residual hazards to the public health and safety are eliminated.

§ 2730. Mining waste defined

"Mining waste" includes the residual of soil, rock, mineral, liquid, vegetation, equipment, machines, tools, or other materials or property directly resulting from, or displaced by, surface mining operations.

§ 2731. Operator defined

"Operator" means any person who is engaged in surface mining operations, himself, or who contracts with others to conduct operations on his behalf, except a person who is engaged in surface mining operations as an employee with wages as his sole compensation.

§ 2733. Reclamation defined

"Reclamation" means the combined process of land treatment that minimizes water degradation, air pollution, damage to aquatic or wildlife habitat, flooding, erosion, and other adverse effects from surface mining operations, including adverse surface effects incidental to underground mines, so that mined lands are reclaimed to a usable condition which is readily adaptable for alternate land uses and create no danger to public health or safety. The process may extend to affected lands surrounding mined lands, and may require backfilling, grading, resoiling, revegetation, soil compaction, stabilization, or other measures.

§ 2735. Surface mining operations defined

"Surface mining operations" means all, or any part of, the process involved in the mining of minerals on mined lands by removing overburden and mining directly from the mineral deposits, open-pit mining of minerals naturally exposed, mining by the auger method, dredging and quarrying, or surface work

incident to an underground mine. Surface mining operations shall include, but are not limited to:

(a) Inplace distillation or retorting or leaching.

(b) The production and disposal of mining waste.

(c) Prospecting and exploratory activities.

§ 2756. Scope

State policy shall apply to the conduct of surface mining operations and shall include, but shall not be limited to, measures to be employed by lead agencies in specifying grading, backfilling, resoiling, revegetation, soil compaction, and other reclamation requirements, and for soil erosion control, water quality and watershed control, waste disposal, and flood control.

§ 2770. Permit; prohibition of continued mining without reclamation plan; review of plan and financial assurances; appeals; interim management plan; submission on surface mining operation becoming idle; duration; review and approval

(a) Except as provided in this section, no person shall conduct surface mining operations unless a permit is obtained from, a reclamation plan has been submitted to and approved by, and financial assurances for reclamation have been approved by, the lead agency for the operation pursuant to this article.

(b) Any person with an existing surface mining operation who has vested rights pursuant to Section 2776 and who does not have an approved reclamation plan shall submit a reclamation plan to the lead agency not later than March 31, 1988. If a reclamation plan application is not on file by March 31, 1988, the continuation of the surface mining operation is prohibited until a reclamation plan is submitted to the lead agency. For purposes of this subdivision, reclamation plans may consist of all or the appropriate sections of any plans or written agreements previously approved by the lead agency or another agency, together with any additional documents needed to substantially meet the requirements of Sections 2772 and 2773 and the lead agency surface mining ordinance adopted pursuant to subdivision (a) of Section 2774, provided that all documents which together were proposed to serve as the reclamation plan are submitted for approval to the lead agency in accordance with this chapter.

(c) If a person with an existing surface mining operation has received lead agency approval of its financial assurances for reclamation prior to January 1, 1991, the lead agency shall administratively review those existing financial assurances in accordance with subdivision (d) prior to January 1, 1992. The review of existing financial assurances shall not be considered a project for purposes of Division 13 (commencing with Section 21000). Any person with an existing surface mining operation which does not have financial assurances that received lead agency approval prior to January 1, 1991, shall submit financial assurances for reclamation for review in accordance with subdivision (d).

(d) The lead agency's review of reclamation plans submitted pursuant to subdivision (b) or of financial assurances pursuant to subdivision (c) is limited to whether the plan or the financial assurances substantially meet the applicable requirements of Sections 2772, 2773, and 2773.1, and the lead agency surface mining ordinance adopted pursuant to subdivision (a) of Section 2774, but, in any event, the lead agency shall require that financial assurances for reclamation be sufficient to perform reclamation of lands remaining disturbed. Reclamation plans or financial assurances determined to substantially meet these requirements shall be approved by the lead agency for purposes of this chapter. Reclamation plans or financial assurances determined not to substantially meet these requirements shall be returned to the operator within 60 days. The operator has 60 days to revise the plan or financial assurances to address identified deficiencies, at which time the revised plan or financial assurances shall be returned to the lead agency for review and approval. Except as specified in subdivision (e) or (i), unless the operator has filed on or before July 1, 1990, an appeal pursuant to subdivision (e) with regard to nonapproval of the reclamation plan, or has filed on or before January 1, 1994, an appeal pursuant to subdivision (e) with regard to nonapproval of financial assurances, and that appeal is pending before the board, the continuation of the surface mining operation is prohibited until a reclamation plan and financial assurances for reclamation are approved by the lead agency.

(e) Any person who, based on the evidence of the record, can substantiate that a lead agency has either (1) failed to act according to due process or has relied

on considerations not related to the specific applicable requirements of Sections 2772, 2773, and 2773.1, and the lead agency surface mining ordinance adopted pursuant to subdivision (a) of Section 2774, in reaching a decision to deny approval of a reclamation plan or financial assurances for reclamation, (2) failed to act within a reasonable time of receipt of a completed application, or (3) failed to review and approve reclamation plans or financial assurances as required by subdivisions (c) and (d), may appeal that action or inaction to the board.

(f) The board may decline to hear an appeal if it determines that the appeal raises no substantial issues related to the lead agency's review pursuant to this section.

(g) Appeals that the board does not decline to hear shall be scheduled and heard at a public hearing within 45 days of the filing of the appeal, or any longer period as may be mutually agreed upon by the board and the person filing the appeal. In hearing an appeal, the board shall only determine whether the reclamation plan or the financial assurances substantially meet the applicable requirements of Sections 2772, 2773, 2773.1, and the lead agency surface mining ordinance adopted pursuant to subdivision (a) of Section 2774. A reclamation plan or financial assurances determined to meet these requirements shall be approved. A reclamation plan or financial assurances determined not to meet these requirements shall be returned to the person filing the appeal with a notice of deficiencies, who shall be granted, once only, a period of 30 days, or a longer period mutually agreed upon by the operator and the

board, to correct the noted deficiencies and submit the revised reclamation plan or the revised financial assurances to the lead agency for review and approval.

(h)(1) Within 90 days of a surface mining operation becoming idle, as defined in Section 2727.1, the operator shall submit to the lead agency for review and approval, an interim management plan. The review and approval of an interim management plan shall not be considered a project for purposes of Division 13 (commencing with Section 21000). The approved interim management plan shall be considered an amendment to the surface mining operation's approved reclamation plan, for purposes of this chapter. The interim management plan shall provide measures the operator will implement to maintain the site in compliance with this chapter, including, but not limited to, all permit conditions.

(2) The interim management plan may remain in effect for a period not to exceed five years, at which time the lead agency shall do one of the following:

(A) Renew the interim management plan for another period not to exceed five years, if the lead agency finds that the surface mining operator has complied fully with the interim management plan.

(B) Require the surface mining operator to commence reclamation in accordance with its approved reclamation plan.

(3) The financial assurances required by Section 2773.1 shall remain in effect during the period that the surface mining operation is idle. If the surface mining

operation is still idle after the expiration of its interim management plan, the surface mining operation shall commence reclamation in accordance with its approved reclamation plan.

(4) Within 60 days of the receipt of the interim management plan, or a longer period mutually agreed upon by the lead agency and the operator, the lead agency shall review and approve the plan in accordance with its ordinance adopted pursuant to subdivision (a) of Section 2774, so long as the plan satisfies the requirements of this subdivision, and so notify the operator in writing. Otherwise, the lead agency shall notify the operator in writing of any deficiencies in the plan. The operator shall have 30 days, or a longer period mutually agreed upon by the operator and the lead agency, to submit a revised plan.

(5) The lead agency shall approve or deny approval of the revised interim management plan within 60 days of receipt. If the lead agency denies approval of the revised interim management plan, the operator may appeal that action to the lead agency's governing body, which shall schedule a public hearing within 45 days of the filing of the appeal, or any longer period mutually agreed upon by the operator and the governing body.

(6) Unless review of an interim management plan is pending before the lead agency, or an appeal is pending before the lead agency's governing body, a surface mining operation which remains idle for over one year after becoming idle as defined in Section 2727.1 without obtaining approval of an interim management plan shall be considered abandoned and

the operator shall commence and complete reclamation in accordance with the approved reclamation plan.

(i) Any enforcement action which may be brought against a surface mining operation for operating without an approved reclamation plan, financial assurance, or interim management plan, shall be held in abeyance pending review pursuant to subdivision (b), (c), (d), or (h) or the resolution of an appeal filed with the board pursuant to subdivision (e), or with a lead agency governing body pursuant to subdivision (h).

§ 2772. Filing of plan; form; content

(a) The reclamation plan shall be filed with the lead agency, on a form provided by the lead agency, by any person who owns, leases, or otherwise controls or operates on all, or any portion of any, mined lands, and who plans to conduct surface mining operations on the lands.

(b) All documentation for the reclamation plan shall be submitted by the lead agency to the department at one time.

(c) The reclamation plan shall include all of the following information and documents:

(1) The name and address of the surface mining operator and the names and addresses of any persons designated by the operator as an agent for the service of process.

(2) The anticipated quantity and type of minerals for which the surface mining operation is to be conducted.

(3) The proposed dates for the initiation and termination of surface mining operation.

(4) The maximum anticipated depth of the surface mining operation.

(5) The size and legal description of the lands that will be affected by the surface mining operation, a map that includes the boundaries and topographic details of the lands, a description of the general geology of the area, a detailed description of the geology of the area in which surface mining is to be conducted, the location of all streams, roads, railroads, and utility facilities within, or adjacent to, the lands, the location of all proposed access roads to be constructed in conducting the surface mining operation, and the names and addresses of the owners of all surface interests and mineral interests in the lands.

(6) A description of, and a plan for, the type of surface mining to be employed, and a time schedule that will provide for the completion of surface mining on each segment of the mined lands so that reclamation can be initiated at the earliest possible time on those portions of the mined lands that will not be subject to further disturbance by the surface mining operation.

(7) A description of the proposed use or potential uses of the mined lands after reclamation and evidence that all owners of a possessory interest in the land have been notified of the proposed use or potential uses.

(8) A description of the manner in which reclamation, adequate for the proposed use or potential uses will be accomplished, including both of the following:

(A) A description of the manner in which contaminants will be controlled, and mining waste will be disposed.

(B) A description of the manner in which affected streambed channels and streambanks will be rehabilitated to a condition minimizing erosion and sedimentation will occur.

(9) An assessment of the effect of implementation of the reclamation plan on future mining in the area.

(10) A statement that the person submitting the reclamation plan accepts responsibility for reclaiming the mined lands in accordance with the reclamation plan.

(11) Any other information which the lead agency may require by ordinance.

(d) An item of information or a document required pursuant to subdivision (c) that has already been prepared as part of a permit application for the surface mining operation, or as part of an environmental document prepared for the project pursuant to Division 13 (commencing with Section 21000), may be included in the reclamation plan by reference, if that item of information or that document is attached to the reclamation plan when the lead agency submits the reclamation plan to the director for review. To the extent that the information or document referenced in the reclamation plan is used to meet the requirements

of subdivision (c), the information or document shall become part of the reclamation plan and shall be subject to all other requirements of this article.

(e) Nothing in this section is intended to limit or expand the department's authority or responsibility to review a document in accordance with Division 13 (commencing with Section 21000).

§ 2773. Application and basis of and site-specific criteria for evaluation of compliance with plan; regulations specifying minimum, verifiable statewide reclamation standards

(a) The reclamation plan shall be applicable to a specific piece of property or properties, shall be based upon the character of the surrounding area and such characteristics of the property as type of overburden, soil stability, topography, geology, climate, stream characteristics, and principal mineral commodities, and shall establish site-specific criteria for evaluating compliance with the approved reclamation plan, including topography, revegetation and sediment, and erosion control.

(b) By January 1, 1992, the board shall adopt regulations specifying minimum, verifiable statewide reclamation standards. Subjects for which standards shall be set include, but shall not be limited to, the following:

(1) Wildlife habitat.

(2) Backfilling, regrading, slope stability, and recontouring.

(3) Revegetation.

(4) Drainage, diversion structures, waterways, and erosion control.

(5) Prime and other agricultural land reclamation.

(6) Building, structure, and equipment removal.

(7) Stream protection.

(8) Topsoil salvage, maintenance, and redistribution.

(9) Tailing and mine waste management.

These standards shall apply to each mining operation, but only to the extent that they are consistent with the planned or actual subsequent use or uses of the mining site.

APPENDIX J

Orange County Zoning Code, Sand and Gravel Extraction District Code of Orange County, Title 17, Chapter 17.32, Section 17.32.070 provides:

17.32.070 Rehabilitation Standards.

The rehabilitation of any site where operations have been permitted under this district shall conform to the applicable use permit and to the following rehabilitation standards.

A. Rehabilitation Schedule. Rehabilitation of each area shall commence as soon as excavation operations have been completed within this area, and the rehabilitation procedure as required by the approved rehabilitation plan shall commence and continue in a diligent manner prior to the extension of excavation operations to a subsequent area.

B. Termination of Operations. If excavation has ceased for a period of 24 months, upon ten day notice by mail to the property owner(s) of record and the primary operator, the Planning Commission may hold a public hearing to determine whether the operations have been abandoned. The Planning Commission may also determine whether remaining mineral resources on the property should be conserved for ultimate production in the public interest, and with a consistent decision by the State's Bureau of Geology and Mines, the amount of remaining material does not justify a

continued period of inactivity. For the purpose of the foregoing, it shall be prima facie evidence of termination of operations, without an active extraction permit required by Division 9 of Title 7 of the Codified Ordinances of the County of Orange, in effect for a continuous period of 13 months.

C. Failure to Complete Rehabilitation-Public Hearing. Any failure to complete the rehabilitation of the site in accordance with the standards specified herein, and in accordance with the approved plans, shall be unlawful and considered a public nuisance to the endangerment of the health, safety, and general welfare of the public, and a detriment to the community.

D. Rehabilitative Work Done by City; Assessment Against Property Owners.

1. Execution. In addition to any other remedy provided by law for the abatement, removal and enjoinment of such a public nuisance, the City Council, after notice and hearing as per Section 17.08.040, may cause the necessary remedial and rehabilitative work to be done, and the cost thereof shall be assessed against the owners of the property.

2. Notice. The notice shall be in writing and mailed to all persons whose names appear on the latest equalized assessment roll as owners of the real property, or as otherwise identified by the City to be owners or operators of the property. The Director of Public Works shall also cause at least one copy of such notice to be posted in a conspicuous place on the premises. No assessment shall be held invalid for failure to post or to mail or correctly address any

notice if this section has been substantially complied with.

E. Cost of Work Done by City; Assessment. The City Council shall make findings which specify the unlawful condition and the corrective work required to be done, and, if said corrective work is not commenced 30 days after receipt of such order, diligently and without interruption prosecuted to completion, the City may cause such work to be done. The cost and expense of such work, including the incidental expenses incurred by the City, will be assessed against the property and become a lien upon such property.

F. When City to Proceed With Work, Report by Director of Public Works.

1. Implementation. If, upon the expiration of the 30 day period provided for in Section 17.32.070.E, the work has not been commenced, or is not being prosecuted with diligence, the City may proceed to execute the project. Upon completion of such work, the Director of Public Works shall file a written report with the City Council setting forth the fact that the work has been completed and the cost to be assessed.

2. Notice. The City Council shall thereupon fix a time and place for hearing protests against the assessment of the cost of such work. The City Clerk, as directed by the City Council, shall thereafter give notice in writing to the owners and operators of the property of the hour and place that the City Council will pass upon the report and will hear protests against the assessments. Such notice shall also set forth the amount of the proposed assessment.

3. Consideration. Upon the date and hour set for the hearing of protests, the City Council shall hear and consider the report from the Director of Public Works and all protests, if there be any, and then proceed to confirm, modify or reject the assessments.

G. List of Assessments Sent to Tax Collector. A list of assessments as finally confirmed by the City Council shall be sent to the County tax collector for collection. If any assessment is not paid within ten days after its confirmation by the City Council, the Clerk of the City Council shall cause to be filed in the office of the County Recorder of the County of Orange a notice of lien.

H. Assessment Lien on Property. From and after the date of time recordation of such notice of lien, the amount of the unpaid assessment shall be a lien on the property against which the assessment is made, and such assessment shall bear interest at the rate of six percent per year until paid in full. Such lien shall continue until the amount of the assessment and all interest thereon shall have been paid. The lien shall be subordinate to tax liens and all fixed special assessment liens previously imposed upon the same property, but a priority over all contractual liens and all fixed special assessment liens which may thereafter be created against the property. From and after the date of recordation of such notice of lien, all persons shall be deemed to have notice of the content thereof. (Ords. 12-95; 54-73: Prior Code 17.50.250-17.50.310; 17.56.250, 320)
